## Welcome to the 5th edition of IEEE Advances in Magnetism!

AIM2025 will be held in Bressanone, in a setting of historic South Tyrolean buildings and beautiful Alpine peaks, easily reachable via the Brenner motorway and railway.

It will be a forum for presentation and discussion of the most recent advancements in all the fields of magnetism, involving theory, numerical modeling, experiments and applications.

Check the numerous topics of the conference and the invited speakers on the website!

**Submit your contribution by July 31<sup>st</sup>, 2024!**

We look forward to meeting you in Bressanone!
